

Critter Blaster PRO

See website for current pricing.

The Critter Blaster PRO uses digitally recorded sonic harassments to repel pests from large outdoor areas. Get rid of critters by choosing any or all of 8 different harassment sounds.

- Designed for use in large, remote outdoor areas
- Customizable settings
- Weatherproof, NEMA Rated casing
- Covers up to 6 acres (four speaker system)

Critter Blaster PRO will repel pests of all species – pest birds (including geese and birds of prey), deer, raccoons, foxes, bears, rodents, etc. Get rid of critters in airfields, farm fields, landfills, and other large outdoor areas.

Customer Testimonial

Thank you for a great product. I am very pleased with the Critter Blaster Pro I purchased from Bird-X. It has made an amazing difference in the cleanliness and quietness of our marina this season. This product made a believer out of many boaters.
—Jerry from Marina Max

Details

- Fully programmable electronic animal and bird repeller
- Repels all pest species
- Wide area coverage – up to 6 acres
- Choose any or all of 8 harassment sounds available
- Control box plus 4 separate directional speakers, each with 100 feet of wire
