

Humane Removal • Contactless Eviction • Easy Installation

BirdChute

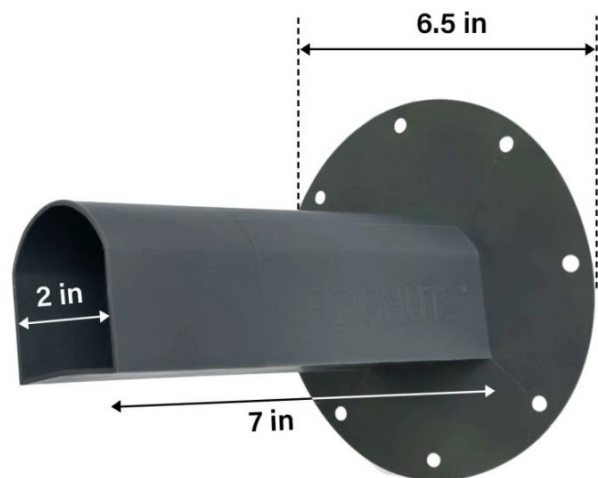

The **BirdChute One Way Door** is your solution for humanely removing sparrows, starlings, and other similar-sized birds from dryer vents, soffits, chimneys, and various nesting areas. Constructed from durable Polypropylene plastic, BirdChute is built for longevity and reuse, making it ideal for professionals, tradespeople, and DIY enthusiasts.

Key Features:

- **Humane Removal:** Ensure the safe and ethical eviction of birds without causing harm.
- **Contactless Eviction:** Minimize direct contact, providing a safe and hygienic removal process.
- **Easy Installation:** Designed with 8 pre-drilled holes for secure and straightforward fastening. (Fasteners not included.)
- **Durable Construction:** Made from high-quality Polypropylene for long-lasting use.

Ideal For:

- Professional Pest Control services specializing in bird removal.
- Wildlife control professionals.
- Tradespeople are dealing with maintenance issues related to bird-proofing.
- Property managers seeking a humane and effective bird removal method
