## Critter Blaster Pro

Repel a wide range of animals with the Critter Blaster Pro, a powerful sonic electronic pest repeller using digitally recorded, customizable harassment sounds to repel all animals. The 4-speaker system confuses, disorients, and intimidates pests, ensuring they don't linger in protected areas. With coverage of up to 4 acres, this versatile unit is perfect for outdoor or semi-enclosed locations. Its durable design and advanced features make it an ideal choice for residential, commercial, and agricultural settings.

### Key Features & Benefits

- **Large Coverage Area:** Protects up to 6 acres, making it perfect for large properties or outdoor spaces.
- **Multiple Operation Modes:** Choose from Day, Night, 24-hour, or random operation for flexible control.
- **Powerful Sound Output:** Delivers sonic frequencies at 105-110 dB for maximum effectiveness.
- **Durable Design:** Features robust ABS housing for weather resistance and longevity in outdoor environments.
- **Fully programmable:** Control volume, sound delays, and day/night operation modes.
