

Specifications

- Laser Class:** 3R
- Light Color:** Red and Green
- Beam Divergence:** 60° multi-pattern
- Laser Power Output:** 50 – 100 mW
- Voltage:** 100V-240V AC, 50-60Hz
- Power Consumption:** 50W
- Housing Material:** Cast Aluminum
- Coverage:** Up to 2,500 sq. ft.
- Operating Temperature:** 0° to 35°C
- Cord Length:** 5 ft.
- Dimensions:** 7.4" x 5.7" x 4.5"
- Weight:** 3.3 lbs
- Operation Cycles:** 2, 4, 6, 8 hours
- Additional Features:** Manual shutter for beam distribution control

Bird-X Indoor Laser

Our cutting-edge Indoor Laser Bird Repellent utilizes a Class 3R laser emitting red and green multiple light patterns to effectively chase away pest birds. Engineered to cover areas up to 10,000 sq. ft., this laser system ensures comprehensive bird control in various indoor environments.

Key Features

- **Multiple Light Patterns:** Emits red and green lasers to create dynamic light patterns that deter birds.
- **Large Coverage Area:** Effective for spaces up to 10,000 sq. ft., making it ideal for large indoor areas.
- **Pre-Programmed On/Off Cycles:** Prevents birds from becoming habituated to the laser, with selectable operation intervals of 2, 4, 6, or 8 hours.
- **Durable Construction:** Cast aluminum housing ensures durability and longevity.
- **Easy Installation:** Comes with a mounting bracket and hardware for quick and secure setup.
- **Convenient Operation:** Includes a wireless remote control and a safety lockout key for secure and easy use.
- **Beam Control:** Features a manual shutter to control the distribution of the laser beam.

Applications

- **Warehouses:** Keep your storage areas free of pest birds.
- **Gymnasiums and Field Houses:** Maintain a clean and bird-free environment for sports and events.
- **Airplane Hangars:** Protect aircraft and equipment from bird-related damage.
- **Outbuildings:** Ensure your auxiliary buildings remain bird-free.

Package Includes

- Indoor Laser Bird Repellent
- Mounting Bracket and Hardware
- Wireless Remote Control
- (2) Safety Lockout Keys
- Manual Locking Shutter
- 6-Foot Cord
